Re: FOIA Request R19-009

Dear Mr. Kick:

This letter is an initial and final response from the Chemical Safety and Hazard Investigation Board (CSB) to your letter, dated February 26, 2019, in which you made a Freedom of Information Act (FOIA) request for: "your agency's FOIA request log covering 2018, which includes a field showing the subject of each request and a field for the final disposition."

A faxed copy of your request was received by this office on February 26, 2019, and assigned file number **R19-009**.

In the e-mail associated with this letter, please find an Excel spreadsheet containing the information you requested. If there is no disposition information for a particular request, it's because that request has not yet closed. You may also wish to check the CSB's 2018 FOIA Raw Data, which is at the CSB website, on the Legal/FOIA page.

This response completes the CSB's processing of your request, which, is now closed.
